EndyMed™  
THE 3DEEP® COMPANY

## The iFine Treatment Handpiece by EndyMed

The iFine is designed to target fine lines and wrinkles found in delicate, thin-skinned, hard to reach areas such as around the eyes and mouth. The iFine provides:

- Smoother, tighter skin around the eyes.
- Reduced under eye sagging and improved eye contour.
- Reduced hooding to reveal more of the eyelid.
- More youthful, less tired looking eyes.
- Softening of fine lines enabling easier application of make-up
